Coastal Carnivores:

An Evening with Raincoast Conservation Foundation

Patagonia Whistler
4350 Lorimer Rd #119,
Whistler, BC
V0N 1B4

Raincoast Conservation Foundation and Coastal First Nations are working to end all commercial trophy hunting in British Columbia's Great Bear Rainforest. We are hosting them at Patagonia Whistler for an evening of stories and photography of our Pacific Northwest coastal carnivores. In addition, they will be discussing how you can help safeguard coastal carnivores in one of the Pacific Northwest's most iconic regions. See you there!
